Simple Life Perfected by Organization and Economy at Smith College.

BOSTON, Feb. 7.-By a club system cooking, her own laundry work and takes care of her own room, fifteen Smith College girls have set themselves week is ample for the needs of a young woman who really desires an education. At Tenney House, where the experiment is being tried, every girl at the dormi-

some put in order, she goes on a shoping tour. A list is made of edibles at appeal to the taste of the various embers and these are bought. By the me the eatables arrive certain of the indents who do not happen to have citation on that particular day have the carrying on the other work about a house.

She had already said enough to conduct which is the way an enemy to the Carr vhom I was serving.

"Let them. They must wait," she responded, with decision. "I will not be house thouse the carrying on the other work about the house.
